Hope Discovers Peace

Paul's Amazing Peace of Mind

Paul's day to day life ...

- Not free of worry or stress
- Many relationship issues and problems
- His work often at risk as churches rejected him
- Significant health issues
- Life was difficult and hard
- Plenty that provoked anxiety and fear

**1. Get rid of
bitterness and
grudges.**

2. Don't live in the past.

**3. Do what you can,
where you are, with
what you have.**

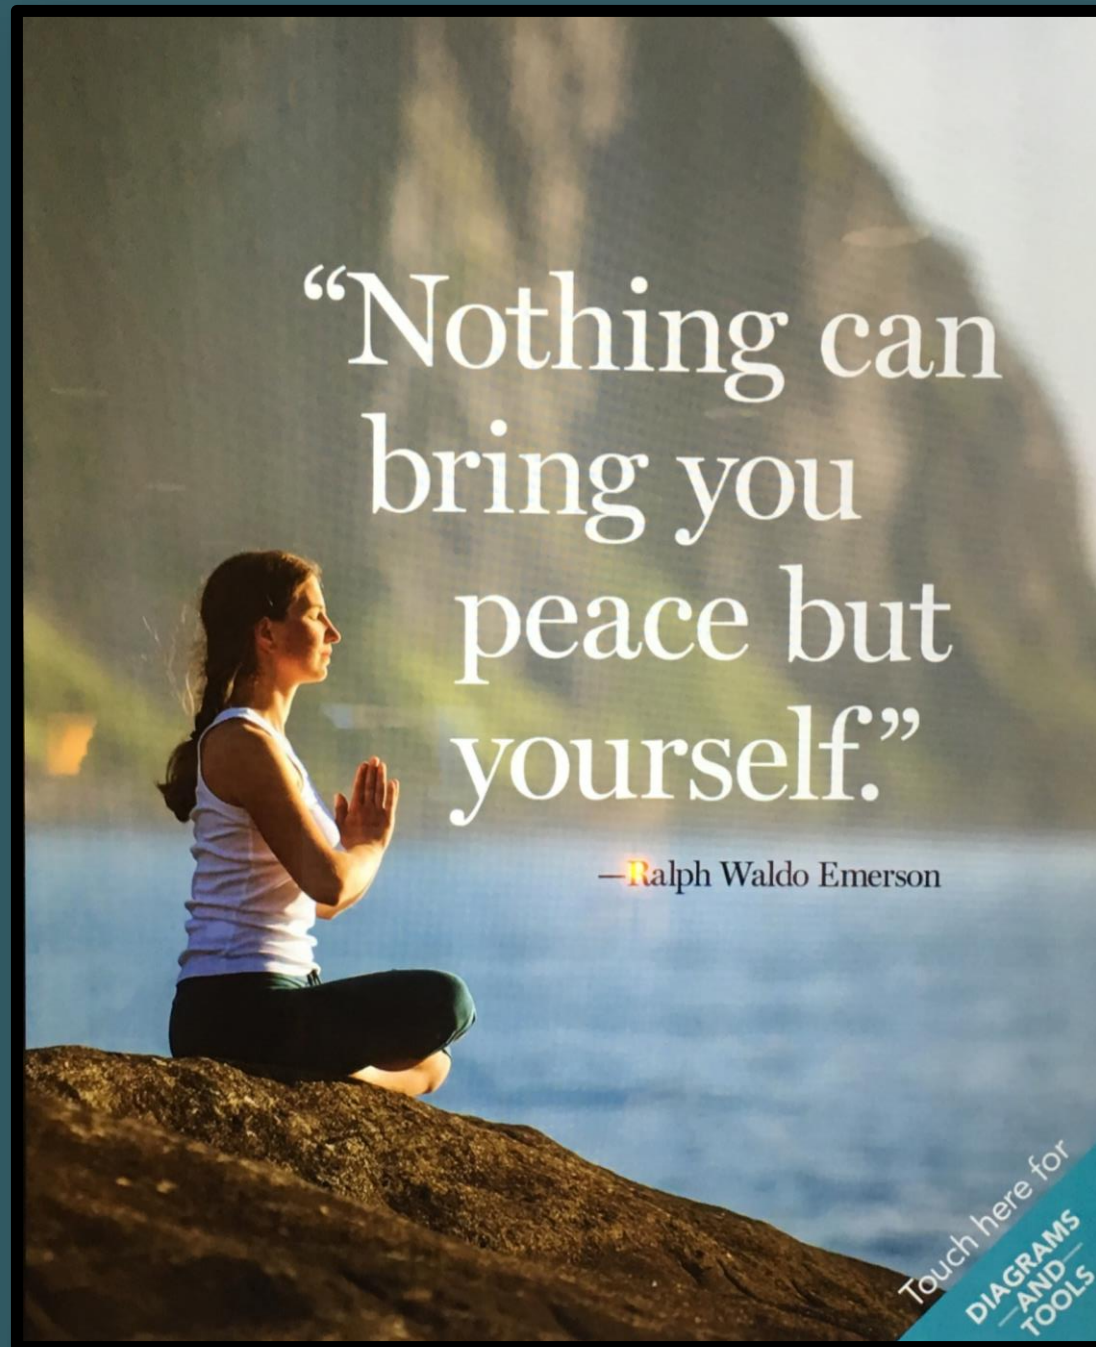

**4. Build
relationships and
count on them.**

**5. Work from a deep
trust in God that all
will come out right.**

**5. Work from a deep
trust in God that all
will come out right.**
